

### Technical details: Trash

- **Title of the show (For the press):** Trash
- **Location:** Outdoors. Street level is preferred. Not on stage.
- **Area:** minimum 5 x5 metres. Larger if possible.
- **Duration:** circa 45 minutes.
- **Language:** None..
- **Amount of shows:** max 3 per day.
- **Minimum time between shows:** 60 minutes
- **Sound:** I use music briefly during the show, but the sound system is not powerful.
- **Travel:** Public transport.
- **Accommodation:** Needed.
- **Meals:** Vegetarian (also no fish).

### Further info:

- Please be aware that the show does not use a microphone and is silent for long stretches. Other loud acts in the vicinity will disturb the performance!
- Trash is a circle show and can be played in large venues, but it is ideally suited for quieter venues: small squares or rundown locations are ideal.
- Please note: Since I travel with public transport, accommodation close to the festival area is highly appreciated!
